

**ADVANCED DIRECTIVES FOR MEDICAL CARE IN OWNER'S ABSENCE**

Pet Name: \_\_\_\_\_ Species/Breed: \_\_\_\_\_ Sex/Age: \_\_\_\_\_

I understand that if my pet is suffering from an injury, illness, or disease; medical treatment, resuscitative efforts or humane euthanasia may become necessary. Should, based on the medical judgment of the veterinary staff, my pet's medical condition deteriorates and I cannot be reached to make timely decisions regarding his/her care, or that my emergency contact person is unable to be reached I request that Centennial Animal Hospital make medical care as indicated below.

1. **Standard Veterinary Care** (please choose dollar amount not to be exceeded)

\$\_\_\_\_\_ Is the maximum allowable amount to be spent for veterinary services in the care of a life-threatening or non-life threatening, unforeseen medical condition, illness or injury that arises during my pet's stay. Centennial Animal Hospital, acting in its sole discretion after making reasonable attempts to contact the owner or Emergency contact provided, may perform services deemed necessary by the veterinarian, give requisite attention or administer medications not to exceed the above listed amount. If applicable, I understand that repayment of the above amount will be due in full at time of check out.

\_\_\_\_\_ I understand and authorize that additional emergency or continuing medical treatments may be necessary for my pet. I authorize CAH to act on my behalf should my pet need to be transferred to an emergency or specialty hospital for continued care. Emergency and Specialty care typically starts around \$1000 and goes up from there depending on the seriousness of the illness or injury.

2. **Cardiopulmonary Resuscitation (CPR)**

\_\_\_\_\_ **Request for CPR.** I direct that, if required, CPR be performed on my pet, which means all medically reasonable attempts will be made to resuscitate my pet. I understand that the survival rate of animals requiring CPR is poor (less than 10%). I further understand that staff are not on the premises at Centennial Animal Hospital from 6pm to 8am during these hours and CPR is not possible.

\_\_\_\_\_ **Decline CPR.** I direct that no attempt to resuscitate my pet be made, which means withdrawing all life sustaining procedures, methods and devices, including cardiopulmonary resuscitation, respiratory support, injectable medications, and artificially administered feeding and fluids.

3. **Humane Euthanasia**

\_\_\_\_\_ **Request for humane euthanasia.** In the case of sudden deterioration of the health of my pet such that he/she appears to be experiencing pain or suffering that cannot be ameliorated with medications or supportive care, I direct that my pet be humanely euthanized to prevent such further pain or suffering. The cost estimate for humane euthanasia is typically under \$200.

\_\_\_\_\_ **Decline humane euthanasia.** I direct that humane euthanasia not be performed on my pet without my prior consent, even in the instant of extreme pain or suffering.
